

INSTRUCTIONS FOR PARTICIPANTS ON PROBLEM STATEMENTS

1. The problem statements of all three tracks will be available on Sainya Ranakshetram portal from 00:01 AM on 01 December 2022
2. Candidates will have to login to their SR 2.0 account using the credentials to submit their solutions.
3. Candidates can delete and resubmit the responses multiple times in case of submission error.
4. Submission will not be editable after 11:59 PM on 30th December 2022
5. Accepted extensions of files are .rar, .zip, and gz.tar
6. Solution size will be maximum 500MB.
7. All solutions will be accompanied with a detailed document explaining how to run the code, platform, dependencies etc.
8. The solution will be complete in all respects alongwith libraries and all dependencies.
9. Incomplete solutions will be rejected.
10. In case the assessment team desires, then they will reach out to the participant to explain the solution on a video call.
11. Candidates can reach out to SR 2.0 team on mail and via website enquire for any type of assistance.

Stay tuned on the website and social media accounts of Sainya Ranakshetram for more updates.
